Disclosure

As a requirement of accreditation, The Royal Dutch Medical Association (KNMG) requires speakers to begin their presentations with a disclosure slide to make any financial relationships between speakers and commercial companies transparent.

A4 | Leadership for environmentally- friendly healthcare

Dr Frank Swinton - Anaesthetist

Airedale Hospital, Yorkshire, UK

Agenda

- *How did I get here?*
- *What's happening now?*
- *What needs to happen?*
- *What can you do?*

How did I get here?

- *Long standing interest in sustainability*

How did I get here?

- *Long standing interest in sustainability*
- *Stepped into a leadership vacuum*

How did I get here?

- *Long standing interest in sustainability*
- *Stepped into a leadership vacuum*
- *MSc in Strategic Leadership towards Sustainability (MSLS)*

What's happening now?

What's happening now?

- *Increased media coverage*

What's happening now?

- *Increased media coverage*
- *Increased general awareness*

What's happening now?

- *Increased media coverage*
- *Increased general awareness*
- *Increased willingness to act*

What needs to happen?

- *Looking inwards*

What needs to happen?

- *Looking inwards*
- *Looking outwards*

What needs to happen?

- *Looking inwards*
- *Looking outwards*
- *Looking upwards*

What needs to happen?

- *Looking inwards*
- *Looking outwards*
- *Looking upwards*
- *Looking in the mirror*

What can you do?

What can you do?

Hi, I'm "W". I'm from "X". When I get home, I'm going to do "Y" differently and I expect that it will have "Z" effect.
